Occupational Health Reporting Examples

ClinicSister Occupational Health Reporting Examples

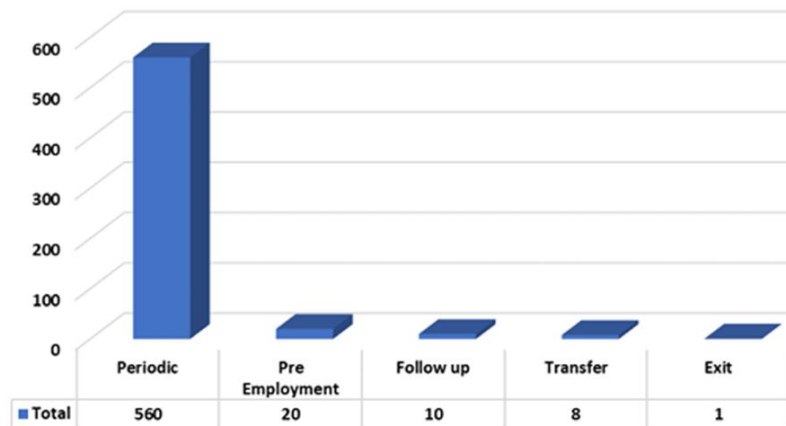

Medicals Done by Employment Type for the Period Under Review

Fitness Results for the Period Under Review

Medicals Done for the Period Under Review

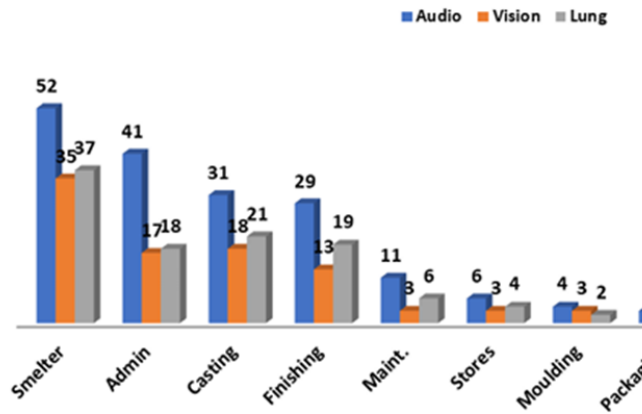

Whilst ClinicSister is a complete clinic management program, addressing all aspects of what is done in a workplace-based clinic, it is first and foremost, an Occupational Health management solution.

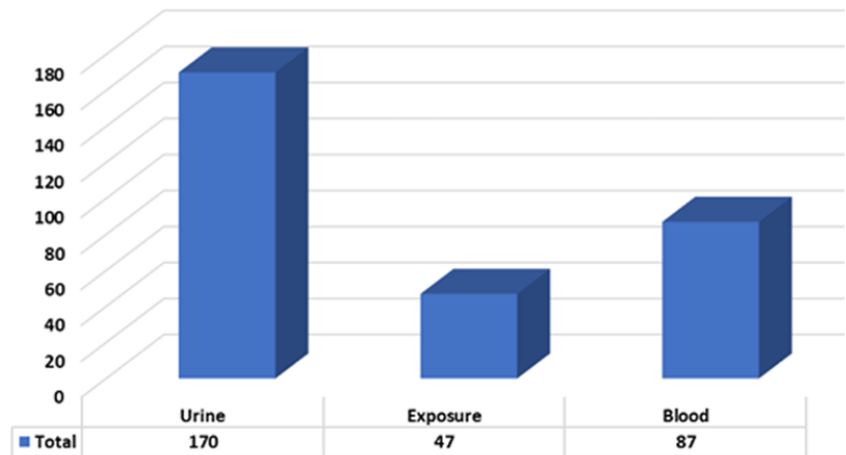

This report pack is a small example of what reporting and analysis it will provide you with.

ClinicSister Occupational Health Reporting Examples

Monitoring Done for the Period Under Review

Biological Monitoring Done for the Period Under Review

Using the FlexiTools it produces, you will be able to produce any graphical analysis you want. And, if you need assistance, we're there for you. In as little as five minutes you will have the chart you want.

Missed Medicals

Pro Andolay

Admin

Due Date	Emp. No.	Last Name	First Name	Medical Due	Tel. No.
2019/04/16	127	Mshengu	Promise	Periodic	
2019/04/16	A108	Mahabeer	Christian	Periodic	
2019/04/16	A114	King	Jamie	Periodic	
2019/04/16	A121	Mbeje	Elton	Periodic	
2019/04/16	A131	Naidoo	Eric	Periodic	
2019/04/16	A136	Ndlovu	Jarno	Periodic	

Probably the most valuable tool is the ability to schedule medicals, emailing the schedule report to managers and then the report on those medicals missed. For ClinicSister Custom, SMS alerts may be sent to individuals and the management of Wellness Days may also be controlled using this facility.
