

# ClinicSister

## Stock Management Highlights

**Value of purchases for the period under review**

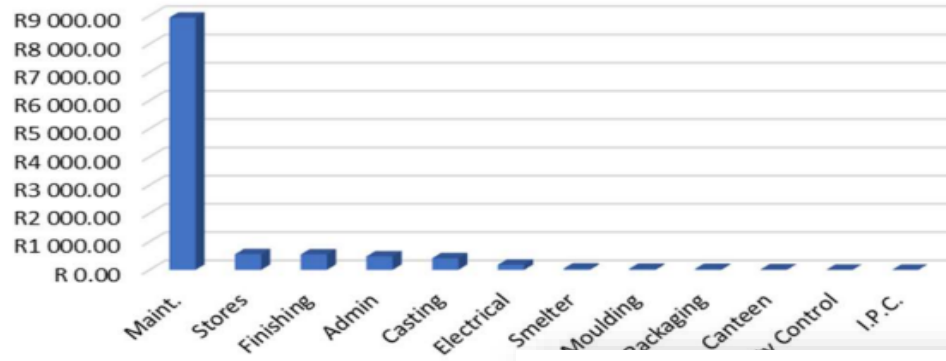

**Value of Stock used for the period under review**

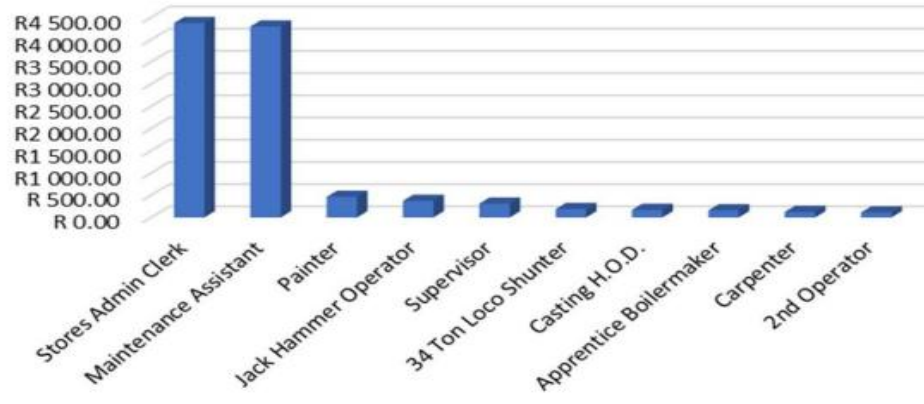

**From both a legal compliance perspective and for the management of costs, stock management in a clinic is important. These are some of the reports you will be able to produce in ClinicSister:**

Stock Utilization by Department

Medicine and consumable cost by Job Title

**Monitoring medicine costs is not only about saving money and apportioning the costs fairly, it also a way of detecting abnormal usage**

# ClinicSister Stock Management is easy to use and covers all areas of stock management, from producing a drug register...
